

AHMED BEL HAJ YOUSSEF

ICT STUDENT

I am a tunisian enthusiastic ict engineering student with robust problem-solving skills and a passion for learning and growing in rapidly changing environments

ACADEMIC HISTORY

Sup'Com university

SEP 2019 - Present

ICT Engineering degree

Preparatory Institute for Engineering Schools in Kairouan

Sep 2017 - June 2019

Undergraduate degree

EXPERIENCE

HR DATABANK - Summer internship

July 2021 - Sep 2021

-creating a movie platform that collects films data from other platform using web scraping.

keywords: SpringBoot/Angular/Jsoup/JPA

Criteria API/postgreSql/git.

ACADEMIC PROJECTS

DMI Project

-digital medical record using Express and reactJS to a tunisian football team to help them better manage the team performance.

keywords :

NodeJS/Express/RestAPI/MongoDB/ReactJS.

Computer vision Project

-Working on creating a script that detect and classify road signs and detect car deviation from the road to alert the driver.

keywords : Python/OpenCv/tensorflow.

SOCIAL LIFE

ACM SUP'COM - PRESIDENT

SEP 2020 - June 2020

-contributing in building competitive programming community at supcom

HOW TO REACH ME

Phone: +216 94173693

Email: ahmed.belhajyoussef@supcom.tn

LinkedIn:

<https://www.linkedin.com/in/ahmed-belhajyoussef-6350bb193/>

Codeforces ID :

https://codeforces.com/profile/bhy_ahmed

SKILLS

Coding Languages:

C/C++, Java, Python, SQL, JavaScript, HTML/CSS, Matlab.

Frameworks:

NodeJS, Express, Angular, SpringBoot, Tensorflow.

Other Skills:

TeamWork, Problem Solving, Teaching.

Languages:

-Arabic(native)/frensh/english(intermediate level)

ACHIEVEMENTS

Competitive programming competitions :

-EPT Solving Cup 2.0 3rd price

-Google HashCode rank : 1739/9004

-TCPC rank : 3/100+ (Tunisian Collegiate Programming Championship 2020)

-ACPC Participation (Africa and Arab

Collegiate Programming Championship 2020)

-Codeforces Specialist
