Dridi Ikram

COMPUTER SCIENCE ENGINEERING STUDENT

✉ ikram.dridi@enis.tn
☎ 24 756 257

I am a Motivated and dynamic senior year engineering student, interested in development and new technologies and eager to put in application of my learning.I am looking for a graduate internship starting from January 2022

Education

Since 2019 | **COMPUTER SCIENCE ENGINEERING :**
National school of engineers of sfax (ENIS) Sfax

From 2016 to 2019 | **APPLIED LICENSES OF ELECTROMECHANICAL :**
Higher institute of applied science and technology of sousse Sousse

2016 | **TECHNICAL BACALAUREATE**
High school Mahmoud El Messedi Nabeul

Skills

Technology / Environment : | Java/JEE, C/C++, C#, JS, Python, Assembleur, PHP, EJB, HTML, CSS, Node JS, XML

Framework / Library : | Angular,React Js , ASP .NEt Core, Express.js, Symfony , SpringBoot , Ionic

Devops : | Docker, Kubernetes, Jenkins

Databases : | Oracle , MySQL , MongoDB , SQL server

Others : | UML , Github/GitLab , Design patterns , Agile (SCRUM/KANBAN) , Junit5

Projetcts

- **Human resource management web application (In progress):** <u>Back-End:</u> Asp .Net core , SQL Server , C# / <u>Front-End:</u> HTML5, CSS3, JS , Bootstrap
- **Library management web application:** <u>Back-End:</u> Symfony5, EasyAdmin , MySQL /<u>Front-End:</u> HTML5, CSS3, JS , Bootstrap
- **Research Lab website:** <u>Back-End:</u> SpringBoot ,Microservice Architecture, MySQL /<u>Front-End:</u> Angular , Angular Material
- **IT department website :** <u>Back-End:</u> Node.js , Express , MongoDB / <u>Front-End:</u> HTML5 , CSS3 , JS , JQUERY , Bootstrap
- **E-commerce web application :** PHP5, MySQL /<u>Front-End:</u> HTML5 ,CSS3, Ajax , JQUERY , Bootstrap
- **AI Solution for face mask detection and social distancing :** Deep learning , computer vision , Python , Google Colab

Certifications

MTA : **Introduction to Programming using Python** (Microsoft)
Front-End Web UI Frameworks and Tools (Coursera)
HCIA-Big Data(Huawei)

Experiences

Summer Internship :
Development of an Android application - allowing clients to take advantage of the agency's service on their mobile phone: Android Studio-Java
 - Universal WebSoft Nabeul (07/2020 - 08/2020)

Summer Internship:
Development of an online sales site and a mobile application : MEAN-Stack (MySQL-Express.js-Node.js-Angular) + Ionic
- DOTCOM Nabeul (07/2021 - 08/2021)

Languages

Arabic : Native

English : Advanced

French : Proficient

German : Elementary

Community Life

Webmaster at IEEE Computational Intelligence Society ENIS Student Chapter (2019-2020)
